DESTINATION: 39° 3' 5" N 76° 9' 51" W Reed Creek, off the Chester River.

Navigation: Exit the Magothy River and from Baltimore light head across the Bay, around Love Point into the Chester River. Activities: The Labor Day is almost here, so please plan to join the MRSA Labor Day Cruise on Reed Creek in the Chester River. The weekend will begin with happy hour at 5:30 on Saturday aboard Flying Low. A community brunch is planned for 10:00 on Sunday followed by a relaxing day of boat chores, swimming (a boat pool will be available) and camaraderie in the company of good friends. At 6:00 a community dinner is planned. The weather should be cooler so plan to attend, relax and enjoy the company of good friends.
