Activities: So What is Better than Sailing???

Why Sailing to a place where you can eat, drink and laugh of course!!!

The weekend of 14-16 Sep we will be docking for some excellent food, drink and fun at Baltimore Inner Harbor. Here is the plan:

Arrive Friday for those who can escape work early, for those of us who cant, arrive on Saturday.

We will be docking together at Inner Harbor East and the Marina will try to group us on a pier with tables.

Cocktail hour on the dock at 1600 both nights, every one bringing an hors d'oeuvre and libation.

Friday night dine at a restaurant of your choice (wide variety of excellent restaurants nearby)

Saturday have the day to explore the inner harbor and make sure you have a hearty lunch as dinner will be light! Saturday we will do some heavy hor d'oeuvres starting at 1600 and then head off to a comedy show at the Comedy Factory at 1830 for 1900. I won't be making a group reservation this year so each couple should reserve their own tickets.

Show details are below.

Following the show we will head off to coffee and some decadent desert and with this fortifying us will proceed for the pleasant moonlit walk back along the waterfront to our boats.

Sunday morning 0930-1000 will be a brunch on the dock where everyone brings something to share.

Sunday afternoon we regrettably toss off the lines and head home, relaxed and fortified for another gruelling week in the salt mines!
