Mark your calendars for May 3rd, for a Cinco de Mayo themed Party at the Betz Hacienda, on Cattail Creek, off the Magothy River, coordinates, N 39 degrees, 5.1 minutes, W 76 degrees, 32.5 minutes. Or by land, at 175 Topeg Drive, Severna Park, in the "Berrywood" community. The Creek depth is 5" MLW, and 2 slips will be available. The nearest anchorages are about 1/4 and 1/2 mile east on Cattail Creek, where it's somewhat wider. Mooring balls are private.

All the details are not final, but we are planning to start at 1600 hr, [4:00 PM], on Saturday, May 3. Appropriate beverages will be provided, such as Margueritas, Sangria and Mexican Cervasa. Also traditional Coke, Sprite and water. Also provided will be the main course.... but that's TBD. Partiers are requested to bring something to share, Those whose last name begins with A thru W, bring desserts, the rest salads. Change that! Sue says "A" thru "L" bring desserts, "M" thru "Z" bring an appetizer or salad.

There will be a modest charge to help the MRSA defray the expense, so please plan to bring a check. If you'd prefer to confirm your reservation ahead, just sign a check and send it to the Betz hacienda address above. If signing a blank check is of concern, feel free to make it payable to "Association por Vela el Rio Magothy"... or for short., "Peggy Poe".
