

## AUGUST CRUISE/PICNIC

AUGUST 17

The temperature may be warm but the breeze usually blows and the pool is refreshing so be sure to join your MRSA friends for an afternoon of sailing, good food, and friendship.

On Sunday, August 17 come by boat or come by car to arrive at the Milbur Community Park on Cornfield Creek at 2:00 pm. The pool will be open, the launch ramp will be available for your small boats and there will be 2 kayaks for your use.

This is a kid friendly event with swings, slides, basketball, and volleyball available.

MRSA will provide hot dogs, hamburgers, and beverages. Please bring a side dish, salad, or dessert ample enough to share with a group.

If you have any boating gear you would like to swap or sell we will set up a table for the items.

By boat turn left coming into Cornfield Creek and head to the piers at the end.

By car travel towards Gibson Island on Mountain Road make a right just past Chesapeake High School on to Milburn Circle and go straight to the park.

Please contact either of us to let us know that you will be coming or with any questions.
