

MILES RIVER CRUISE June 6, 7 – PART II

Due to popular demand, the anchorage is changed to Long Haul Creek and Miles River Yacht Club (410-745-9511). The Club is located on Long Haul Creek just north of St. Michaels at Longitude 76° 13'W by Latitude 38° 48'N. Good anchorage can be found in the North Fork in eight feet of water and well protected.

If you want a slip, please provide us with the following details: boat name, captain name, boat length and beam, and electrical service (30 or 50 amp) by THURSDAY. We've tentatively reserved 6 slips and the Miles River Yacht Club needs to have a list in advance of our arrival.

We've made dinner reservations at the Yacht Club for 6:30. PLEASE LET US KNOW IF YOU ARE JOINING US so I can confirm the reservations for dinner. Let's plan on a BYOB after dinner. For dinner confirmation, please call 202-262-0617 or email

Gabriella Belli and Bob Krapfel, Cruise Leaders
