

Severn River Cruise  
June 20-21  
Father's Day Weekend

Celebrate the beginning of summer and Father's Day by sailing to the Severn River. Rather than going as far up the river as Round Bay, we will do a raft-up in Saltworks Creek. This creek is on the South side of the river directly across from Chase Creek. Min Van IV will try to be on anchor around 3 PM on Saturday. If you are planning to attend the cruise, please contact John or Debbie Lund at 410-544-2551 or e-mail us at [dlund210@gmail.com](mailto:dlund210@gmail.com).
