

Mark your Calendars Plan on Attending the Fourth of July Cruise July 3-5

Come and join us for the Fourth of July weekend in Grays Inn Creek on the Chester River. Happy Hour will begin at 5:30 on Friday aboard Flying Low, followed by enjoying the fireworks from Rock Hall. A community Brunch is planned for Saturday morning, a working/relaxing Saturday afternoon and a potluck dinner Saturday evening.

As you round Tilghman Neck on the Chester (R11), head for GC1 at the mouth of the Grays Inn Creek. This can be difficult see so set the GPS to 39 04 812N, 076 11 486W until you have it in sight. As you enter the creek use caution to avoid the sandbars on both sides, stay centered in the creek and head for the Duck blind at the bend in the creek. Just prior to the blind turn to starboard and stay centered in the creek until the creek opens up. The anchorage area will be to the port.

We are looking forward to great weekend and hope you can join us. Please contact Sue or Al at (410) 437-3630 or alkirkendall@verizon.net .
