

Let's spend a dog-day afternoon at Eagle cove, after giving the kids a chance to crew on big boats. On July 18 we will be running a cruise and raft up to Eagle Cove back behind Gibson Island. Join the raft up no later than 4PM for hot dogs and soda supplied by the club. And, if you want, give our youth sailors a chance to crew on your boat.

Contact me at [ID@lawrencericci.com](mailto:ID@lawrencericci.com) or 410-804-4290 if you would like to host some of our youth sailors for this trip. You pick the push off point and time, and if possible give the kids a chance to sail a bit, maybe out past Baltimore Light, before circling back to Eagle Cove. Pack swimsuits if you want. Eagle cove is clean and usually free from nettles. A bag or two of chips is always welcome.

If you have not been there, Eagles Cove is easy to find. Leave Dobbins Island to port and Gibson Island to starboard as you leave the Magothy and head up the channel, bear starboard. Mind the markers, the channel gets pretty narrow, but it is deep. Eagle Cove, for those who have not been there, is lovely. It is the kind of place where God would have a summer home if he could afford it.

Options, a blue hulled C&C 27 will be in the cove at our about 2PM to start the raft up. Hope to see you there!
