

## **Labor Day Weekend Cruise, September 5-7, Choptank**

*By Al & Sue Kirkendall*

We are Looking Forward to seeing you on the Labor Day Cruise, September 5-7.

Come and join us for the Labor Day weekend on the Choptank River. Happy Hour will begin around 5:30 in quiet Waterhole Cove aboard *Flying Low* on Saturday Evening.

Sunday morning we will move to the Oxford area (possibly Plaindealing Creek) and will plan on taking a short dingy ride into Oxford for dinner. If you do not have a dingy do not worry as there will be plenty of room for you on the others. On Monday morning we will bid the Long Cruise participants farewell and head for home. (See next announcement below.) Labor Day starts the late summer Bay breezes so count on some good sailing on this trip.

Waterhole Cove is directly above Dunn's Cove on Harris Creek. From wherever you enter the Choptank, head for the Red 2 mark at the entrance to Harris Creek and follow the marks past Dunn's Cove and into Waterhole Cove. Some charts indicate that it is difficult to get into Waterhole Cove; however, there is plenty of water and it is not a problem. We are looking forward to great weekend and hope you can join us.
