

## **Frostbite Cruise and November Membership Meeting**

MRSA will take its final cruising event of the season to the familiar waters of Bodkin Creek and the "under new ownership" fare of the Cheshire Crab Restaurant. And as the November general membership meeting, it's not just for cruisers. Heck, most people drive to our annual Frostbite Cruise anyway. Those who do come by boat can look for the raftup in the Main Branch of Bodkin Creek, weather permitting. Slips can be arranged at the Pleasure Cove Marina, co-located with the Cheshire Crab, for those who prefer. The land address is 1701 Poplar Ridge Road in Pasadena.

Dinners will be ordered off the menu (available in advance at <http://www.cheshirecrab.com/menu.php>). Regardless of transportation mode, plan on joining the group for dinner on November 7 at 6:30 p.m. Entertainment by the "Fins" will begin at 7:00 p.m., featuring the music of Margaritaville. Cruise leaders are Wes and Sheryl McNair, 410-437-8998, [mcnair4@comcast.net](mailto:mcnair4@comcast.net).
