

The Day Mark

Dear MRSA Members,

We have all been affected by the outbreak of the Covid-19 virus, by the changes in our life styles, the daily cancellations, and our need to stay home and practice social distancing. We hope that all of you are well, and that you have been able to successfully get through these difficult times.

First of all, we recommend that you follow the Governor's plan for Maryland citizens as he rolls out the re-opening of businesses and activities for the state of Maryland.

Second, the MRSA Board met electronically to discuss how to best address the MRSA events that have been scheduled in the next few weeks. We have decided that no MRSA sponsored events will occur until after June 25th 2020, including, racing, cruising, and picnics.

We are in touch with the Grachur Club about our Junior Sailing Program, and a decision about the Junior Sailing Program will be made at a later date.

Of course, when things change, we will get in touch by email to let you know of the changes. Look for a 'Day Mark' in early June with information to let you know about our start back plans. Meanwhile stay healthy and stay safe, and think sailing!

In order to check the calendar to see changes to our schedule, please get on the MRSA website.
