## Cinco de Mayo Pig Roast

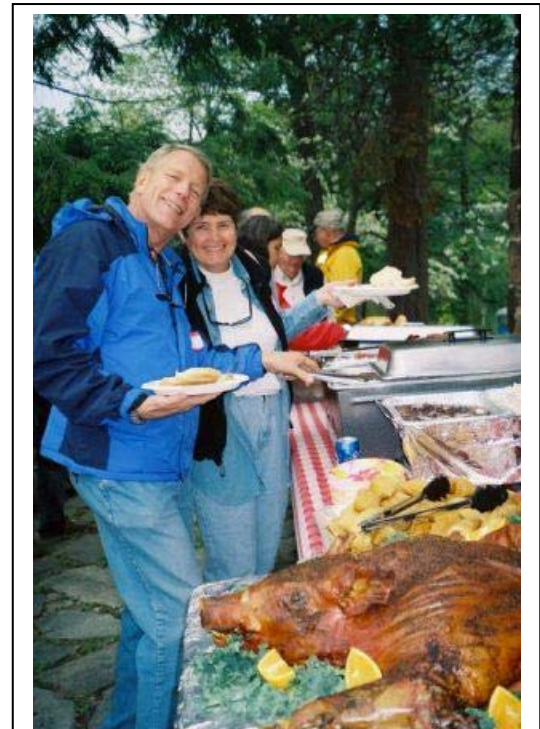

Tony Torres

Seventy plus members of the MRSA and their guests came together on May 5<sup>th</sup> to celebrate the Cinco de Mayo Pig Roast hosted once again by Chuck and Ivelisse Beck at their home “Bird Haven” on the Upper Magothy River. Six members, lead by our fearless Commodore, made their way by boat to the festivities; the rest chose to arrive by land cruiser on what turned out to be a rather cool day.

The cool day was more than offset by the warm friendships of all that attended, some members, refusing to accept the rather cool day wore shorts.

The Guest of Honor was accompanied by Rice and Cuban Black Beans, Tamales, and assorted salads. Thank you to all that brought appetizers’ and desserts to complete the meal. Music was provided by the “Los Muchachos de Guatemala Band” in honor of the day.

A good time was had by all.

## June 9 & 10 - Rhode River Cruise

Bob Krapfel & Gabriella Belli

**Destination:** Rhode River (Chart 12270, Green “7” - latitude/longitude = [38° 53' 0" N 76° 31' 24" W](#))

Come for a relaxing raft-up and/or overnight anchor on the Rhode.

Look for *Paradox* (Catalina 36) just east of Big Island.

**Navigation:** (From Shellenberger\*, pp. 224-25); A heading of 240 degrees from Thomas Point Light brings you to green #1 then red #2 at mouth of the West River, one mile north of Curtis Point. A course of 284 degrees from red #2 takes you to the red #2 at mouth of the Rhode River. “Be sure to honor red “2” unless you enjoy kedging off shoals.” Proceed generally northwest up the river past green # 3 and red # 4. “...give the green “7” light, where the Rhode River bends sharply to the west, a wide berth as you approach it. As you clear the marker you will have a clear view to port of the anchorage among the islands.”

**Anchorage:** “Holding in the area is excellent; the heavy mud bottom provides good security with any type of anchor.” (Hah - *Paradox* will be the test of this theory!) “The best place to drop the hook is to the east of Big Island unless there is a strong easterly wind. In that event simply run around the north side of Big Island and anchor in its lee.”

## Commodore's Comments

Annette Mullarky

What a day! Bright sunshine, temperatures in the mid-70's, breeze at about 10-12, and I'm ... cleaning out the garage. Does something seem wrong with this picture to you? Well, I guess you can't play hooky every day. I hope that many of you did just that for the 'Ferris Bueller Day Off' cruise, though.

Tuesday's weather looked just perfect for a trip to see the Blue Angels. I hope Ed Poe has time to fill us in on all the details while making final preparations for the Race to Newport.

Well, it is Wednesday today, which means in a short while I'll be headed out to the starting line. I'm crossing my fingers that the beautiful conditions I'm looking at will hold a little longer into the evening. After Saturday's Spring Classic, the fever has set in hard – I can't wait for more! Thank you to Don Rockwood and crew for serving as committee boat, and the Kirkendall's and Bonham's for hosting the post-race raft up – I think we proved once again that a little rain can't stop sailors from having a lot of fun! Now, if I can just figure out how I got that bruise...

As I look at the MRSA calendar, there's lots of fun coming up as well. By the time you get this, we'll have made our first 'off the river' cruise of the season – Memorial Day on the Wye. It's always a fun event, and the weather looks promising for the most part. Rich and Toni Hughes have been great working with EYC and the Bristol Club on this event. Look for a report next month.

June brings the Rhode River and St. Michaels cruises (I love the Rhode – its where I learned to anchor without providing the evening entertainment), the Love Point/Swan Point and PSA Overnight Races (if you've never done a night race, this is the one to try – PSA runs a great race & hosts a yummy breakfast after), the first Wednesday raft-up of the season, and, of course, Junior Training!!

Rich Hughes and Donna Prucnal have done a wonderful job again this year getting the program ready to go. Our staff is complete (including a few graduates of the program), the boats are all here, and we've got a full complement of students, with several on the waiting list. Watch your e-mail and the web page for information on an upcoming pre-camp work party to get the boats ready. Even if you don't have kids in the program, your expertise (or if you're like me – ability to follow directions and work hard) are more than welcome.

While you're online, check out the new calendar feature the webmaster has added (sometimes it's good to have an in with the webmaster - thank you, honey). At the bottom left corner of the page, you'll find a link to a "Printer-Friendly Format". Now, instead of copying everything onto my wall calendar, I just print it out and stick it on the 'fridge (and in my locker at work, a copy for the car, in the front of my Red Book, etc.). It sure saved me writer's cramp this month – June's calendar is pretty full!

## June 9 & 10 - Rhode River Cruise

Continued from Page: 1

**Activities:** The usual merriment, imbibing, and general mischief followed by impromptu COB drill (non-swimmer volunteer will add realism). Bring eats to share and BYO all you can drink.

**Historical Theme:** As you have fallen in the clutches of a pair of professors there is homework (take-home quiz)!!

1. What super secret NSA eavesdropping installation masquerades as an innocuous YMCA camp?
2. In what year did the cover story of a land gift by \_\_\_\_\_ of \_\_\_\_\_ acres take place?
3. Nearby Galesville was founded in what year? Lord Baltimore's \_\_\_\_\_ lodge in Galesville was called?
4. Capt. \_\_\_\_\_, great great grandson of \_\_\_\_\_ in the year \_\_\_\_\_ converted two old hulls into replicas of the Ark and the Dove, which ships had brought first settlers to Maryland 300 years earlier. The great great grandfather named above made \_\_\_\_\_?

## PICNIC TIME!

Peggy Poe

It seems that MRSA really likes to eat, and on June 8th we have another chance to get together and EAT!

June 8th at 6:30 pm is the date for the MRSA annual picnic, and once again we will meet at the North Shore Picnic area for food and frivolity. Come by land or by sea, and join in the fun. Hotdogs, hamburgers, and nautical swap will be the agenda for the evening.

This year we will introduce Nautical Swap, an opportunity to donate some of your marine gadgets from the basement or garage, and find a treasure or "what-cha-ma-callit" that someone else has brought to swap. (\*\*Caveat \*\*): If your nautical swap item doesn't get snapped up, it must be taken home, no matter what your admiral says.)

Sailors with names beginning A – L, please bring a salad or casserole; M – Z, please bring a dessert. Hot dogs, hamburgers and beverages will be provided. Please call Peggy Poe at 410-296-6428 or email [peggypoe@aol.com](mailto:peggypoe@aol.com) or Laura Bonham at 410-439-0507 or [ldbonham@aol.com](mailto:ldbonham@aol.com) to let us know that you will be coming or if you have questions.

See you at North Shore on June 8th at 6:30 pm.

## Jr. Training Camp- This Month!

Donna Prucnal

June is here and that means it's time for sailing camp for our Juniors! Camp dates are June 18 through June 29. The day camp is held on the grounds of the Grachur Club located on the upper Magothy River. Camp filled quickly this year. We have a full camp of 40 students and several on a waiting list. Everyone that applied should have received an email confirmation of enrollment or that you are on the waiting list.

We have an outstanding staff of instructors for camp with five of the six returning from last year. This year we have a new Head Instructor, Jessica Lund. We are very excited to have Jessica join our staff as she brings with her much sailing and instructing experience. She is a graduate of the MRSA program and a prior MRSA instructor, raced on her varsity sailing team in high school and is a sailing instructor at Annapolis Sailing School.

## Jr. Training Camp- This Month!

Continued from Page: 3

Returning this year to join Jessica is Evan Clayton, Andy Kirkendall, Kathryn Miller, Colin Taylor and David Bonanno.

We have the time, the place, the students and the staff – there's only one thing left – THE BOATS! It's time to get the boats ready for camp. A work 'party' to clean the boats is scheduled for Sunday, June 3rd at 1:30pm at the McNair property where the boats are stored. Please bring a bucket, sponge or scrub brush and plan to get wet and dirty! We will be moving the boats by water from the McNair property to camp on Sunday, June 17th, time to be determined. It is crucial that we have MANY volunteers for these events. The more people that come to help, the less time it takes for everyone. If you have any questions or want to discuss your availability to help, please call Donna Prucnal at 410-255-5623.

We will also hold a parents meeting prior to the start of camp. It is tentatively scheduled for Thursday, June 14th. Confirmation of the date and details about this meeting will be announced via email to all parents with enrolled students.

If you have any questions about Jr. Training, contact Rich Hughes at 410-224-4155 or Donna Prucnal at 410-255-5623, or send an email to [junior\\_training@magothysailing.com](mailto:junior_training@magothysailing.com)

## MRSA Welcomes New Members

Peggy Poe

Welcome aboard to our newest MRSA member family - Tom Merrick and Angela Mezzomo. Tom and Angela live at 103 Mulberry Avenue in Pasadena, and have raced and cruised with Annette and Mike Mullarky. We're sure our Commodore will put them right to work helping out where needed. We've already seen them at the March Brunch, and Tom braved the chill at the Pig Roast. Make sure you take a moment to welcome Tom and Angela when you see them at the next meeting or cruise.

# Spring Classic Race Raft-up

Peggy Poe

Al and Sue Kirkendall on "Flying Low"

The raft-up after the Spring Classic races on Saturday, May 19th attracted a hardy few cruisers and racers. The Spring Classic features 2 sanctioned races on one day in the Magothy River – one in the morning and one in the afternoon with a break for lunch.

Al and Sue Kirkendall and Lewis Neisner on Flying Low hosted the raft-up party. First to tie up to the party boat in Broad Creek was Frequent Flyer with Mike and Loura Bonham hosting the Dorf's, Jill McCutchan, and Peggy Poe. Joining the party raft was skipper Ralph Reitan and crew on Wabbit and the Mullarky's on Boreas. Onboard Boreas was Jim McCutchan who had raced with Bill and Carolyn Paul on Rebecca. Late to join the party was Andy

Kirkendall, a soon-to-be high school graduate. Congratulations Andy!

This year's race winners were:
