Commodore's Comments ... Heading North

By Wes McNair, Commodore

As I write this, *Merlin* is moving nicely along between Atlantic City and Montauk Point. I hadn't planned to write about my vacation, and I'm not trying to make anyone lust for the ocean, but the truth is I forgot completely about my obligations to our superb *Old Man* editor, Bert Polk, until just now. Maybe I've missed the deadline, and you'll never see this. But if you do, the wind is about 25 knots from the southwest and we're varying mostly from reliable 9's down to 6 knots as we surf and settle before starting again. A few 10's to get the blood flowing, and John recently decided to broadside a wave as I was otherwise peacefully rail meating while reading a book.

I realize many of you racers probably would have the chute up, but this is plenty good for us. We left AC this morning, hoping to reach our planned destination of Watch Hill by

noon tomorrow. That looks like a really safe bet now, but we're on the lookout for weather changes that could slow things down a bit. Making hay while the Sun shines, enjoying a truly beautiful day at sea. And whales! We just had our first sighting from *Merlin* of a pod(?) of whales, surfacing and blowing, and finally one doing a modest breach. Wow!

The trip to AC was uneventful, but could have been different. We only sailed about 3 hours, from 0100 to 0400 on the Delaware Bay. Otherwise we got in lots of engine time, with heat from the sky and heat from the iron maiden. While the full moon gave us great visibility on the Bay run, a full fog came in with the Sun to make for an unsettled rounding of Cape May and up the coast. Also, I've spent entirely too much time working on my charging system, before and during the trip. New alternator belt to quiet some squeaking the week before the trip, and new charging regulator the morning we left to address recent overcharging concerns. Wouldn't you know it, the brand new belt broke before we were across Chest Neck Bar, and I've been tinkering with the darn regulator for hours on end, on the move and in the slip. Just don't want you to get the impression I'm having too much fun.

Meanwhile, plenty of great MRSA events continue. A fine example of the commitment of some of our members was evident in the hard work Mike and Annette Mullarky have been putting into the rub gear on our junior training racks. They got thoroughly doused working Tuesday night when the big storm rolled through. Then they were back out Saturday, with Tom Merrick and Angela Mezzomo working hard as well, to get the project done before the boats come home. Thanks! And the same to all of our great volunteers. A great July to all! Happy Safe Boating!

Upcoming Cruises & Events

[Come! Join us on the 4th of July Cruise, July 3rd through 5th](#)

Submitted by Al & Sue Kirkendall

Come and join us for the July 4th Weekend on the Choptank River. Happy Hour will begin around 5:30 in Waterhole Cove aboard Flying Low on Saturday evening, July 3rd. Following Happy Hour we may be able to enjoy the fireworks from Oxford. Sunday morning we will get together around 9:00 for a community Brunch to celebrate our independence prior to moving closer to the Oxford area (possibly Plaindealing Creek). If interested, we will plan on taking a dingy ride into Oxford for dinner. If you do not have a dingy do not worry as there will be plenty of room for you on the others. If you do not have a 13-star flag, not to worry - bring a large 50-star version instead.

Waterhole Cove is directly above Dunn's Cove on Harris Creek. From wherever you enter the Choptank, head for the Red 2 mark at the entrance to Harris Creek and follow the marks past Dunn's Cove and into Waterhole Cove. Some charts indicate that it is difficult to get into the Cove; however there is plenty of water and it is not a problem.

We are looking forward to great weekend and hope you can join us. Please contact Al or Sue at (410) 437-3630 or alkirkendall@verizon.net.

[Confield Creek Picnic, Saturday, August 21](#)

Submitted by John Mullarky, Vice Commodore

MRSA's annual Cruise/Picnic at Mil-Bur on Cornfield Creek (just north of Gibson Island) is scheduled for Saturday, August 21, at 1300 (or 1 pm for those coming by land). Come by land or sea. Grills should be in full swing by 1400 (2 pm for those coming by land). Save the date and plan to enjoy a summer afternoon with fellow MRSA members. Count on a good group of friends, a tent, a pool with diving board, good picnic on the grill meals, and plenty of soda-pop and other stuff to wash it down. Look for more details, as well as sailing and driving directions, in the August *Old Man*.

[Dog Day Afternoon, Saturday, July 17](#)**[!!Attention Junior Sailors, Racers, and Cruisers!!](#)**

This is a fun event for all ages. Welcome Junior Sailors on your larger boat and sail to Eagle Cove just north of Gibson Island. Detour to Baltimore light or elsewhere on the way and show the juniors the differences between keel and centerboard sailing. Raft up in Eagle Cove for a cookout and then sail back to the dock.

WE NEED A CRUISE LEADER FOR THIS CRUISE. Please contact Jill or Jim McCutchan if you can help. We also need cruisers and racers to take the junior sailors. Please contact the McCutchans at jilnjimmac2@juno.com for more information.

[Corsica River Race & Cruise, - July 24 - 25, Sat - Sun: Cruise Leader NEEDED](#)

This is a terrific cruise, especially if the nettles hold off a bit – as they usually do. Race to the mouth of the Corsica on the Chester River. Enjoy a fun beach party in a comfortable anchorage. Meet small and large boat sailors. Then race from the Corsica to the mouth of the Chester on the way back to the Magothy.

Please contact Fleet Captain Cruising, Norm Poulsen for more information at 410-437-8703 or cruising@magothysailing.com.

[Rock Hall Pirates' Cruise in August 14 - 15 - early mooring reservations advised](#)

By Laura Bonham, MRSA Landing Party and Cruise Leader

I want to announce that anyone planning on going to the Pirates' Cruise in Rock Hall who desires a mooring ball or a slip needs to make their reservation for such ASAP. We will be going over on the prior Friday and throwing the hook behind the mooring balls at Swan Creek Marina as we did the prior year. The anchorage fills up quickly for that event.

Come prepared to buckle your swashes, wrestle your wenches, feather your caps, and treasure your chests. Bring your cutlass, your flintlock, and if you have a bird on your shoulder – *more power to ya, matie!*

We hope you can plan to attend. We had a great time last year.

[Baltimore and Fells Point Cruise, October 2 - 3](#)

Contributed by Homer and Sherry Sandridge

Join us at the Anchorage Marina in Baltimore located within easy walking distance of Fells Point and its annual festival on Saturday and Sunday, October 2-3, 2010. Please let us know soon if you plan to attend as slips may become tight. Plan to arrive on Saturday in time to attend the festival which runs until 7:00 P.M. Some members will likely come up on Friday evening. Please bring food to share for a Sunday morning brunch. As in past years, the Chesapeake Bristol Club will be attending also.

Anchorage Marina is located at 2501 Boston Street, Latitude: 39.16.77; Longitude: 076.34.96. We have a discounted group rate of \$1.75 per foot plus electricity (\$10 for 30 AMP). The marina is currently holding a number of slips for both clubs but it's important that we book early given that it will be a busy weekend and they will not hold these slips very long. The marina has requested that the MRSA cruise director manage the slip bookings so MRSA members desiring a slip need to call Homer & Sherry Sandridge to supply the following information:

Name, Boat Name, Length, Beam, Electric Requirements, Arrival & Departure Dates, Credit Card Number & Expiration Date.

Tall-Tales of Past Cruises and Events

Blues Cruise – May 25, 2010

Submitted by Kathy Polk

Like an annual rite of spring, once again Ed Poe (at the helm with Joe Berchielli) hosted a *Ravenous* cruise to view the Blue Angels practice for their commencement performance over the skies of Annapolis. With light sprinkles and a rumor that the event had been cancelled, Loura and Mike Bonham, Gene and Cyndi Gottschalk, and

Jim and Jill McCutchan jumped ship at the dock and elected to better use their time making repairs to their own boats. Sherry and Homer Sandridge, Joe and Linda Berchielli, Joe Jackins, Beth Perry, and Kathy Polk persevered with Ed and ended up having a drizzly mini-tour of the Magothy to view the old haunts of Roger and Robin Seal, as well as Marianne and Dick Kammann, the now overgrown Riverdale, and Marbury Council out doing chores in his yard. The skies started to brighten and in the distance we could see the “rece run” by the Blues. We charged over to the Severn under full steam and full sun to enjoy a delightful day and exciting presentation. Many thanks to Ed for once again hosting this event and to Beth Perry for some terrific photos!

June Picnic – Friday, June 4

By Peggy Poe, Black Hole Creak 5-Star Hostess Association

Hallelujah! We had a perfect day for the annual June picnic, if just a little warm. But warm is really good. No rain at all. The weather men warned of possible thunderstorms, but none dared to spoil our picnic. Everyone was there from age 5 to age 80.

We had a terrific parking attendant (MRSA son and racer on *Ultra Violet*, Josh Prucnal) to show everyone where to park on little Shady Lane. Those who came by water (three intrepid power boats) rafted up comfortably next to the good ship *Ravenous*.

Sixty-two MRSA members attended the picnic, bringing delicious hors d’oeuvres, salads, side dishes and some desserts too. We all enjoyed swapping tall tales and plans for cruises and racing and just catching up. Mike Bonham, Dick Kammann, Dave Kemp, and

Jon Mullarky took turns as grill master with Dave and George Braun delivering the burgers and hot dogs in to the buffet line. No one went hungry with all the delicious food on the table. Past Commodore Ed Poe reminded everyone to save space for strawberries and ice cream and it seemed that the group took his advice. There wasn't a strawberry to be found after the last ice cream scoop was dipped into a cup. Ed almost missed out on strawberries. Debbie Lund pulled out the Ship's Store and set up shop, selling new MRSA shirts to one and all. You had to be there! And don't forget the August picnic on the 21st.

Photos show David Dolan and Shirley Masee, then Peggy Poe and Diane Jackins dishing up ice cream and cookies for Lucy Schlegel and Patrick Dolan.

Special Membership Notices and Announcements

[John B. Irvine, Jr. 1938 – 2010](#)

- one of the earliest MRSA members

John Borland Irvine, Jr. passed away due to pancreatic cancer Wednesday, June, 2, 2010 at the age of 72 at his home in Dataw Island, SC. He was raised in Ohio, then, relocated to Pasadena, MD for more than 30 years before retiring to South Carolina with his wife of almost 51 years, Carole "Jill" Walter Irvine. Mr. Irvine's professional career started in banking, finance and insurance, then focused on secondary education, management, and coaching with the Anne Arundel County, School System where he retired in 1998. Mr. Irvine's passions included scholastic coaching of both basketball and golf at the junior-high and high school levels. He provided significant contributions to the growth and development of many youths in the Pasadena communities of George Fox Junior High, Chesapeake Bay Middle School, and Chesapeake High School. Mr. Irvine also assisted in coaching at West Liberty State College in 1971, when the team won the WVIAC championship. He attended Ohio State University and received a BS degree from West Liberty State College, WV. He received his Masters degree from Morgan State University and pursued doctorate level studies at The University of Maryland. He attended the United Presbyterian Church, Richmond, OH; was a deacon at Westminster Presbyterian Church of Steubenville, OH; and more recently was active at Sea Island Presbyterian

Jill and John Irvine

Church of Beaufort, SC. Mr. Irvine was a long-standing member of Chartwell Country Club in Severna Park, MD where he was president from 1989 – 1991. Mr. Irvine was also a member of the Annapolis Yacht Club and the Magothy River Sailing Association. After his retirement Mr. Irvine and his wife relocated to South Carolina in the golf community of Dataw Island, where he was a member of the Dataw Island Country Club and a member of the Coastal Empire Porsche Club of America. Survivors include his wife, two sons, six grand-children, his stepmother, two stepsisters, and a stepbrother. After a memorial service in Beaufort, SC, interment was in Richmond, OH.

Notices to Mariners

By Jon Mullarkey, Vice Commodore

The USCG District Five Local Notice to Mariners (22-2010) is now available for download. This Notice to Mariners (22-2010) has a nice table of Areal Cable Crossings in Tidal Waters. Most are in Anne Arundel County, and many on the Magothy. Also has the safety zone info for 4th of July Fire Works.

In addition, the 2010 USCG Light List Volume Two is available and is updated to Local Notice (52-2009), as is the "Summary of Corrections."

The Local Notice to Mariners, Light List, and Summary of Corrections are posted weekly and require Adobe Acrobat Reader (free download) or another PDF Viewer.

New Maryland PFD Laws – and Certificate POSSESSION

By Jon Mullarky, Vice Commodore

There is a new Maryland Law concerning PFD wear by Children and Operation of Recreation Boats by Persons under the Age of 16.

The Governor has signed newly passed legislation that will require children **under the age of 13** to wear an approved life jacket on recreational boats. The law does not apply to a vessel which is moored or anchored; or a when the child is below deck or in an enclosed cabin.

The new law also requires persons under the age of 16 operating a numbered vessel in the State to possess a Certificate of Boating Safety Education and be under supervision of a person, onboard, who has obtained a Certificate of Boating Safety Education or was born before July 1, 1972. Read it at <http://mlis.state.md.us/2010rs/bills/sb/sb0092t.pdf>. The change requires "**possession**" of the certificate. In the past you could just **tell** the DNR you had a certificate. (Not telling the truth is a BIG no-no. – Ed.)

The new law is effective October 1, 2010.

[Cruise Leaders Needed in July – 17th and 24-25](#)

Submitted by Norm Poulson

We need cruise leaders for two upcoming cruises; the first is **Dog Day Afternoon in Eagle Cove on July 17**. Jim McCutchan, who had originally volunteered, will be out of town. It's a nice, easy one. Be the rendezvous boat anchored in Eagle Cove so others in MRSA can join you for hot dogs, refreshments, and other munchies. You can stay the night if you want. Traditionally, MRSA members have used this day to introduce non-sailors to sailing, and of course the weather is always ideal. The second cruise is to the **Corsica River July 24 - 25**. This is a very popular cruise with many non-cruisers participating in the race from just south of Baltimore Light up the Chester to the Corsica. Outstanding on shore food and entertainment is coordinated with the Corsica River Yacht Club.

Please let me know if you think you can help with either of these cruises. Many thanks.

By the way, Chris and I are moving to West Annapolis this month, and will be keeping our boat in the Severn River after 26 years on the Magothy. We do plan to stay active in MRSA, which is a great group of people.

Sell and Donate A Boat – a 2-fer!

Boats of all kinds are accepted for resale by the Captain Salem Avery Museum, Shady Side, MD, including power and sailboats in working condition, canoes, kayaks, and paddle boats. Donors are eligible for a tax credit as a charitable donation in the amount of the sale of their boat. Contact Boat Donation Chairman Andrew Garte, 410-533-0042 or on the internet at boatsales@shadysidemuseum.org.

The Shady Side Rural Heritage Society owns and operates The Captain Salem Avery Museum, *A Waterman's Home*, located at 1418 East West Shady Side Road, P.O. Box 89, Shady Side, MD. 20764, 410-867-4486.

The Museum supports this summer's Blue Star Museums Program. The Captain Salem Avery Museum joined with 560 museums nationwide on May 31 to initiate the Blue Star Museums program sponsored by the National Endowment for the Arts. These museums are committed to opening their doors with free admission to active duty military families to show their appreciation for the U. S. military personnel and their families. Memorial Day seems very fitting as the start of this program to recognize the sacrifices made for our country by our men and women in service.

There are several special programs throughout the year, on Wednesday, June 30 saw the initial Rain Garden Opening and Ecotour from 2 – 4 PM: free for all. Those interested in improving the quality of water flowing into the West River and Bay are encouraged to attend the bio-retention projects at the Museum.

Racing Corner

NOTICE TO COMPETITORS – CHANGES IN SAILING INSTRUCTIONS:

By Joe Berchielli, MRSA RC Chair

Please note that there are some recent changes to Wednesday Night Sailing Instructions. The following amendment to the Wednesday Night Sailing Instructions was created to include the Multihull Class. (See article below.) Please do a "cut and paste" to your copy of the instructions. Hopefully these will clarify and enhance our racing experiences.

MRSA Wednesday Night Sailing Instructions:

Amendment #1 – (May 17, 2010)

In the "**General**" section, change "All racing" to "All boats racing in PHRF classes." In the second sentence change "All boats" to "These boats." Add the following sentences to the end of this section: "All boats racing in Multihull classes on the Magothy River shall be governed by The 2009-2012 Racing Rules of Sailing (RRS), the prescriptions of the United States Sailing Association, and the rules of the Chesapeake Multihull Association except as altered by these Sailing Instructions. These boats shall be in compliance with the ISAF Offshore Special Regulations Category 5 (see Appendix J)."

In the "**Entries**" section, modify the phrase "A copy of the boat's current PHRF certificate" by adding "or CMA rating."

In the "**Class Splits**" section, add one line to each of the two series sets, (Series 1 through 5 and Series 6):

| Class | Class Ratings | Code Flag |
|--------------|----------------------|------------------|
| MH | All multihull | W |

In the "**Starting Classes and Sequence for Series 1 through 5**" section,

modify the last line from
"1835 / 8 flag lowered / Start PHRF NS2"
to
"1835 / 8 flag lowered, W flag raised / Start PHRF NS2 /
Warning - 5 minutes to start for MH / Gun"

and add the following line
"1840 / W flag lowered / Start MH / Gun"

In the "**Starting Classes and Sequence Sixth Series**" section,

modify the last line from
"1830 / 5 & 8 flags lowered / Start PHRF N / Gun"
to
"1830 / 5 & 8 flags lowered, W flag raised / Start PHRF N /
Warning - 5 minutes to start for MH / Gun"

and add the following line
"1835 / W flag lowered / Start MH / Gun"

In the "**Special Awards**" section,

insert the phrase
"(with at least 5 boats entered)"
before the phrase "for the season"

Notices to competitors will be published in the MRSA newsletter.

New Multihull Racing on Wednesdays on the Magothy!!

By Joe Berchielli, MRSA RC Chair

Two multihull boats entered the first race of the second Wednesday Night Series on May 19. These racers are enrolled in a new MRSA Wednesday Night class designated exclusively for multihull boats. This MH Class has been assigned a starting time scheduled at 5 minutes after the start for the NS2 fleet. (See article above.)

Ed Jones, skipper of *Rubicon* and Russ Wesdyk, skipper of *Lola 3*, were the first to race in this new class on May 19. Other racing skippers and crews may get a chance to meet them at the raft-up after the June 9 Wednesday night race.

Rubicon is a 26' O.A. Length catamaran (Heavenly Twins 26 Mk 2/3 model) and *Lola 3* is a 27' O.A. Length trimaran (Corsair F27 model).

Interest has been expressed by other multihull owners who sail the Magothy and participation is expected to increase.

Junior Sailing Program – Ages 9 - 16

Junior Training 2010 in Full Swing

By Zoe Forsyth, Fleet Captain Junior Training

At press time, this year's Junior Training sailing camp is in full swing at the beautiful Grachur Club. Young sailors from both Grachur and MRSA families are improving their sailing skills and having lots of fun on water and on land. Look for a summary of sailing camp activities in the next Old Man. Sincere thanks to everyone who assisted with the planning and preparation for this year's camp! We are grateful to Grachur for hosting the sailing camp, and ask everyone to please remember that Grachur is a private club, and its grounds and waterfront are open only to Members and their guests when camp is not in session.

Please see the article above on the *Dog Day Afternoon, Saturday, July 17*.
